RE: HOW TO APPLY FOR A GRANT

Enclosed are materials to assist you in applying for a grant from the Neighborhood Beautification and Graffiti Clean-Up Fund:

1. Copy of Proposition D from the June 1990 ballot (white sheet). This ballot measure created the Neighborhood Beautification and Graffiti Clean-Up Fund and designated the Chief Administrative Officer to develop and manage the grant program.
2. Regulations and Guidelines (pink booklet). The Regulations set out the general requirements for application. The Guidelines describe in more detail the particulars of the process as to due date, number of copies required, and definitions of many of the terms used in the Regulations.
3. Application Form (blue booklet). Use this form to apply for a grant.
4. Resource List (green sheet). These are resource people who you should contact while planning your application, especially if your project involves City lands or property.

This is the first grant cycle for the Neighborhood Beautification Fund, and we are uncertain of the level of funding that will be available. We anticipate that grant awards will be made by June and available in July. Based on our experience in this first grant cycle, we will develop long-term operations for the fund and keep you informed.

Thank you for your interest in the Neighborhood Beautification Program. We hope that this first grant cycle will be successful, and that we will learn ways to improve the program in future years. If you should have any questions, please call me, 554-4851.

NEIGHBORHOOD BEAUTIFICATION AND GRAFFITI CLEAN-UP FUND
(Proposition D, June 1990 ballot)

[Neighborhood Beautification and Graffiti Clean-up Fund]

ORDINANCE, ADDING SECTIONS 10.98 AND 10.98-1 TO THE SAN FRANCISCO ADMINISTRATIVE CODE TO ESTABLISH A NEIGHBORHOOD BEAUTIFICATION AND GRAFFITI CLEAN-UP FUND AND SPECIFYING THE PURPOSES THEREFOR AND AMENDING PART III, SAN FRANCISCO MUNICIPAL CODE, BY ADDING ARTICLE 12B-1 THERETO, TO PROVIDE THAT ANY BUSINESS WHICH OWES A PAYROLL EXPENSE TAX OR BUSINESS TAX MAY ELECT TO DESIGNATE A CERTAIN PORTION OF THE TAX FOR DEPOSIT IN THE NEIGHBORHOOD BEAUTIFICATION AND GRAFFITI CLEAN-UP FUND.

NOTE: All sections are new.

Section 1. The San Francisco Administrative Code is hereby amended by adding Sections 10.98 and 10.98-1 thereto, to read as follows:

SEC. 10.98. NEIGHBORHOOD BEAUTIFICATION AND GRAFFITI CLEAN-UP FUND: FINDINGS AND INTENT.

(a) Findings.

The proliferation of graffiti on public buildings and other public property has created a blight which offends both citizens of and visitors to San Francisco. The removal of such graffiti will enhance the beauty of the city in which we live and will encourage others to visit and to relocate here. Removal will thus both reflect and renew our pride and contribute to our economic vitality. Providing a source of funds for the promotion of neighborhood beautification projects will support the efforts of local residents and businesses to improve the quality of life for San Francisco residents and the local economy, and assist in reducing the amount of graffiti in San Francisco.

(b) Statement of Intent.

The Board of Supervisors wishes to address the above concerns by establishing a neighborhood beautification and graffiti clean-up fund which will promote neighborhood beautification projects, including projects designed to improve the environmental quality of neighborhoods, and finance the clean-up of graffiti on public property.

SEC. 10.98-1. NEIGHBORHOOD BEAUTIFICATION AND GRAFFITI CLEAN-UP FUND: ESTABLISHMENT; ACCEPTANCE OF GIFTS; DUTIES.

(a) Establishment of Fund. There is hereby established a special fund for the purpose of receiving all donations of money which may be collected by the City and County of San Francisco for the purposes enumerated in Section 10.98(b). Monies deposited in the fund shall only be expended for the purposes enumerated herein, provided that such expenditures shall include reimbursement to City and County departments for expenses incurred in the administration of the fund. The special fund shall be known and designated as the Neighborhood Beautification and Graffiti Clean-up Fund.

(b) Acceptance of Gifts. All donations of money which may be offered to the Neighborhood Beautification and Graffiti Clean-up Fund are hereby accepted for such purposes. Any grants, gifts and bequests from private sources for this purpose shall be deposited into said special fund.

(c) Duties of the Chief Administrative Officer.

1. The Chief Administrative Officer, or his or her designee, shall be responsible for the administration of the Neighborhood Beautification and Graffiti Clean-up Fund, and shall have all such authority as may be reasonably necessary to carry out those responsibilities.

2. The Chief Administrative Officer shall promulgate such rules and regulations as he or she may deem appropriate to carry out the provisions of this Section and Section 10.98. Before issuing or amending any rules and regulations, the Chief Administrative Officer shall provide a thirty (30) day public comment period by providing published notice in an official newspaper of general circulation in the City of the intent to issue or amend the rules and regulations. The rules and regulations shall be approved by resolution of the Board of Supervisors. Such rules and regulations shall include, but not be limited to, the qualifications of applicants and factors to be considered in the award of grants to fund programs to help remove graffiti and promote neighborhood beautification projects, including preference for the following projects: youth programs and innovation, projects that are neighborhood generated, and projects designed to benefit areas of San Francisco that are economically disadvantaged.

3. The Chief Administrative Officer shall submit a semi-annual report to the Board of Supervisors setting forth an accounting of the amounts disbursed and the uses for which said funds were made.

(d) Budgetary and Fiscal Provisions of the Charter. The monies in this fund are subject to the budgetary and fiscal provisions of the Charter and may be expended only when authorized by appropriation ordinance of the Board of Supervisors.

(e) Interest. Interest earned from the Neighborhood Beautification and Graffiti Clean-up Fund shall become part of the principal thereof, and shall not be expended for any purpose other than that for which said fund is established.

(f) Accumulation of Monies in Fund. The balance remaining in the Neighborhood Beautification and Graffiti Clean-up Fund at the close of any fiscal year shall be deemed to have been provided for a specific purpose within the meaning of Charter Section 6.306 and shall be carried forward and accumulated in said fund for the purposes recited herein.

Section 2. Part III of the San Francisco Municipal Code is hereby amended by adding Article 12B-1 thereto, to read as follows:

ART. 12B-1

NEIGHBORHOOD BEAUTIFICATION AND GRAFFITI CLEAN-UP FUND TAX

OPTION.

SEC. 1030. Initial Option. Commencing in tax year 1990, any business, as defined in Section 1002.1 of this Code, that is subject to the Payroll Expense Tax or the Business Tax may elect to designate up to one per cent (1%) of its tax liability for deposit in the Neighborhood Beautification and Graffiti Clean-up Fund.

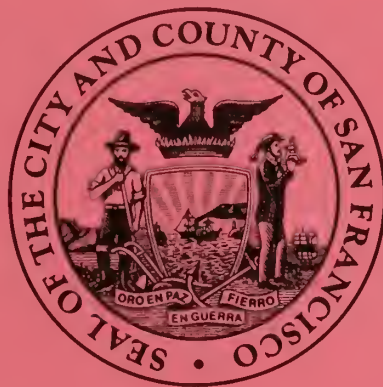

SEC. 1031. Amount of Fund Annually. It is the intent of the voters of the City and County of San Francisco that one million dollars (\$1,000,000.00), derived from tax proceeds designated by the taxpayers pursuant to Section 1031, shall be deposited annually into the Neighborhood Beautification and Graffiti Clean-up Fund. The Controller shall annually adjust this figure for inflation to reflect changes in the most recently available U.S. Bureau of Labor Statistics Consumer Price Index for all Urban Consumers for the San Francisco-Oakland-San Jose Metropolitan Area, or its successor index.

SEC. 1032. Subsequent Option. For each tax year after 1990, the Controller shall determine the amount of fund revenues actually generated in the prior year, including the interest thereon and the balance, if any, remaining at the close of the tax year. On the basis of the prior year's experience of taxpayer contributions and total revenues generated by the payroll expense and business taxes, the Controller shall calculate a percentage ceiling of total tax liability which taxpayers may designate for deposit in the fund the following tax year. The Controller shall set the percentage ceiling so that the revenues produced thereby are most likely to generate a total of one million dollars (adjusted for inflation) in the fund for the forthcoming tax year. The Controller shall transmit his or her calculation to the Board of Supervisors, which shall adopt a new tax designation ceiling, if necessary, in advance of the tax year to enable the Tax Collector to perform his or her collection duties.

SEC. 1033. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this initiative ordinance or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this initiative ordinance or any part thereof. The People of the City and County of San Francisco hereby declare that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid or ineffective. In addition, the voters declare their intention that should any portion of this initiative ordinance or all of it be declared invalid in whole or in part, such invalidity shall have no effect upon the continued validity of the Payroll Expense Tax and Business Tax. □

Graffiti Clean-Up Fund

**REGULATIONS
AND
GUIDELINES**

Office of the Chief Administrative Officer
City Hall, Room 289
San Francisco, CA 94102

(415) 554-4851

CITY AND COUNTY OF SAN FRANCISCO

NEIGHBORHOOD BEAUTIFICATION AND
GRAFFITI CLEAN-UP FUND

These are Program Regulations 1-20 and Administrative Regulations 1-10 promulgated in accordance with San Francisco Administrative Code sections 10.98 and 10.98-1 and Resolution 944-90 of the San Francisco Board of Supervisors.

Questions or comments concerning these regulations should be directed to the Office of the Chief Administrative Officer, 289 City Hall, San Francisco, CA 94102, (415) 554-4851.

PROGRAM REGULATIONS

ELIGIBILITY TO RECEIVE A GRANT

1. An applicant must meet all of the following tests:
 - o be at the time of application a non-profit organization organized under the Internal Revenue Code Section 501(c) or 501(d) or Chapter 4 of Part II, Division 2 of the California Revenue and Taxation Code, or
 - o be an entity or group of individuals agreeing to use a fiscal agent which is a non-profit organization as described above, or
 - o be a department/office of the City and County of San Francisco.
2. The applicant must demonstrate organizational stability as evidenced by: (a) substantive past performance in the proposed or a similar activity, and (b) two (2) years of operations prior to applying for the grant. If unable to do so, the applicant must use a fiscal agent meeting these qualifications.
3. An applicant, other than a City agency, must provide a declaration signed by the Chair of its Board under penalty of perjury declaring its intent to implement a policy of fair employment practice and Equal Employment Opportunity to all qualified persons without discrimination on the basis of race, religion, sex, national origin, ethnicity, age, physical handicap, political affiliation, sexual orientation, color, marital status, or medical condition.
4. An applicant, other than a City agency, must provide a declaration signed by the Chair of its Board under penalty of perjury certifying that it allows minority and women vendors and suppliers certified by the Human Rights Commission to compete on an equal basis with other suppliers to supply goods and services purchased by the applicant.

CITY DEPARTMENTS

5. In any one grant year, City departments may collectively receive no more than 30% of the grant funds distributed. For the purpose of these regulations, City departments shall be considered to include the Housing Authority, Redevelopment Agency, and San Francisco Unified School District.
6. Grants must be used to increase rather than to maintain current level of City service in neighborhood beautification and graffiti clean-up. Grants may not be substituted for existing funds. Departments must maintain current efforts in order to be eligible to receive a grant.

PROJECTS QUALIFIED/NOT QUALIFIED

7. Projects qualified for a grant must be performed in San Francisco and be the actual performance of neighborhood beautification and/or graffiti clean-up work that results in discernable beautification and/or clean-up. While projects may have educational content, the preponderance of grant funds must be utilized for actual beautification and/or clean-up.
8. Projects not qualified include but are not limited to those which consist of efforts such as planning, design, lobbying, education, exhibits, conferences, studies, shows, rent/purchase of office space, or travel except travel expenses that are incurred in transporting equipment and personnel to perform a project.

PROJECT LIMITATIONS

9. All projects are subject to the following limitations:
 - a. No significant additional maintenance: projects will not be considered which, in the exclusive judgment of the Chief Administrative Officer, would create significant permanent additional maintenance responsibility for any City agency.
 - b. Reimbursements for City assistance: non-City projects which require significant City involvement or supervision must reimburse the City for its costs.
 - c. No Overhead: The intent of the City and County of San Francisco to pay for materials, labor and direct supervision for the project. Organizational overhead or management costs generally will not be an allowed expense. Exceptions will be made where the applicant can demonstrate that management expense is necessary to ensure prudent expenditure of grant funds.

PREFERENCE FOR PROJECTS

10. The following projects will be given preference:
 - a. Youth programs: projects that involve youths in the execution of the project.
 - b. Innovation projects: projects that propose an innovative and feasible approach to neighborhood beautification or graffiti clean-up.
 - c. Neighborhood generated: projects developed and proposed by neighborhood or local business organizations.
 - d. Benefit areas of San Francisco that are economically disadvantaged: areas as defined low/moderate income under the provisions of the Community Development Program. A description of these areas will be provided by the Chief Administrative Officer.
 - e. Organizations currently making efforts: projects proposed by organizations that have a demonstrated record of involvement in projects consistent with the purposes of this fund.
 - f. Volunteer Labor: projects that maximize volunteer labor. (Note: Paid labor is not prohibited, but volunteer labor will be given preference in project approval.)
 - g. Public property: projects that are performed on public property.

Each preference area will be weighted equally.

PRIVATE PROPERTY

11. Neighborhood beautification projects may be performed on private property provided that the project promotes a substantial public benefit, and the benefit to the private property owner is only incidental.
12. Graffiti clean-up projects may be performed on private property only if the project meets the criteria set forth in 11 above and if it is in conjunction with a broader neighborhood beautification program.
13. Public property is defined as property owned by the United States government, the State of California, the City and County of San Francisco, or any other local governmental agency within the corporate limits of the City and County of San Francisco.

PROJECT MATCH

14. Grantees must supply funds or in-kind contributions in an amount equal to fifteen (15%) of the grant amount. Funds used as match may be from current efforts being made by the grantee. However, organizational management and/or overhead costs are not eligible in-kind matches.

AUDITS

15. Grantees must agree to be audited by the City and County of San Francisco or its designated agents. Withholding of any financial records shall be a material breach of the grant agreement and shall require immediate termination of the grant. A portion of the grant amount may be designated by the City for audit services.

FINANCIAL AND PROGRAM REPORTING

16. Grantees must agree to provide to the Chief Administrative Officer in a form to be specified by the CAO semi-annual finance reports on project expenses and copies of invoices and other evidence of payments made with grant funds.

OTHER SOURCES OF FUNDS

17. Upon application for a grant, the applicant must state from which other City departments it is also seeking funds and list any City funds for which they have applied or which it has received during the past three (3) years.

PERMITS/PERMISSIONS

18. Grantees are responsible for securing all necessary permits and permission to accomplish the purpose of the grant.

LIABILITY INSURANCE

19. Liability insurance or a hold-harmless agreement may be required prior to distribution of a grant. If insurance is required, it may be funded from the grant.

APPLICATION/GUIDELINES PROCEDURES

20. The Chief Administrative Officer shall develop and make available to the public application forms, procedures, and grant guidelines which are consistent with these regulations.

PERCENT DESIGNATION

1. Each time a taxpayer makes a business tax payment, he or she will have the option of designating a percentage, up to the allowable ceiling, of that payment for deposit in the Neighborhood Beautification and Graffiti Clean-up Fund (Neighborhood Beautification Fund).
2. Once the taxpayer makes a designation, that designation is irrevocable for the payment in question.
3. Taxpayers may not designate more than 1% of their annual payroll expense or business tax to the fund. However, the designation may be made either entirely at the time of the end-of-the-year payment or by way of up to 1% of the prepayment and not more than 1% of the remainder due at the end of the year.
4. Taxpayers may not earmark the expenditure of the funds they designated for deposit in the Neighborhood Beautification Fund nor may they condition their designation upon the expenditure money in the Neighborhood Beautification Fund for a specific purpose.

\$1 MILLION LIMIT ON DESIGNATIONS

5. No more than 1 million dollars may be deposited in the Neighborhood Beautification Fund pursuant to taxpayer designations in any given year. Amounts designated in excess of 1 million dollars will be deposited in the General Fund.
6. In the event that taxpayer designations do not reach the \$1 million limit, the City and County of San Francisco is under no obligation to provide additional funds to reach the \$1 million limit or any other amount. Any additional City funds would be deposited in the Neighborhood Beautification Fund only if the Board of Supervisors chooses to appropriate that sum.
7. Monies in the Neighborhood Beautification Fund that remain uncommitted at the end of the fiscal year shall be carried forward and maintained in the fund for the subsequent year. However, funds carried forward from a prior year shall not be counted toward the annual 1 million-dollar limit on designations to the fund.
8. Interest earned from the Neighborhood Beautification Fund will not be counted against the \$1 million dollar limit.

DONATIONS

9. As specified in the ordinance, donations may be made to the Neighborhood Beautification Fund. A donation is a voluntary payment made by an entity and does not diminish the business tax obligation owed. Funds received pursuant to donations will not count against the 1 million dollar limit. Donated funds may be targeted or conditioned by the benefactor for specific projects or purposes.

CONTROLLER DETERMINATION

10. No later than April 1 of each year the Controller shall determine the percentage ceiling of total tax liability which taxpayers may designate for deposit in the Neighborhood Beautification Fund.

CITY AND COUNTY OF SAN FRANCISCO

NEIGHBORHOOD BEAUTIFICATION AND
GRAFFITI CLEAN-UP FUND

GUIDELINES

These Guidelines are prepared in accordance with Resolution 944-90 of the San Francisco Board of Supervisors to assist applicants in preparation of the grant application. The Guidelines should be used in conjunction with the Program and Administrative Regulations to complete the forms.

Questions or comments concerning the Guidelines should be directed to the Office of the Chief Administrative Officer at the address below, (415) 554-4851.

1. HOW TO APPLY

Complete the Application Form and send an original and four (4) copies to:

Office of the Chief Administrative Officer
City Hall, Room 289
San Francisco, CA 94102
ATIN: Neighborhood Beautification and Graffiti Clean-Up Fund

Applications must be typed or printed and easily readable.

2. DEADLINE

Applications must be received no later than NOON on Friday, March 1, 1990.

The only applications not subject to this deadline are emergency grant requests for \$250 or less as described in Guideline 12.

3. ELIGIBILITY TO RECEIVE A GRANT

- a. Substantive performance/two years of operation: See Program Regulation 2. "Substantive past performance" may be demonstrated by supplying a list of projects completed by the applicant organization in the areas of neighborhood beautification or graffiti clean-up or related areas. "Two years of operation" may be demonstrated by supplying a copy of articles of incorporation, tax statements, a newsletter, newspaper article or other document which is dated at least two years prior to the deadline for grant application and which confirms operations of the grantee.
- b. Fiscal agent: See Program Regulations 1 and 2. The role of the fiscal agent is to guarantee to the Chief Administrative Officer (CAO) that grant funds are spent in accordance with the intent of the grant, and that financial records are properly maintained and present a true and accurate statement of the financial activity for the project. All payments made on the grant will be mailed to the fiscal agent. The fiscal agent, if one is utilized, must sign the grant application. Organizations may wish to consider requesting the fiscal agent to, in fact, make the application and be the actual grantee.

A fiscal agent may charge reasonable fees to an applicant for these services. If such fees are to be paid, they must be reported on the grant application.

In general, fiscal agent fees may be no more than five percent of the grant amount. The only exception to this cap of five percent will be in cases where services performed by the fiscal agent are extensive/complex, or where the fiscal agent must expend significant expense to perform the service.

- c. Minority/Women Vendors: Grantees are urged to utilize minority and women vendors to the greatest extent possible. A list of potential vendors is available from the CAO.

Grantees must retain copies of all records relating to Women/Minority Vendors and make these records reasonably available to the City upon request.

4. CITY DEPARTMENTS

The head of the applicant department must certify that the grant would be used to increase rather than to maintain current level of City service and that the grant funds do not replace but, rather, supplement existing funding efforts. Certification is provided in the Declarations section of the application form. See Program Regulations 5 and 6.

5. PROJECTS QUALIFIED/NOT QUALIFIED

The intent of Program Regulations 7 and 9 is to limit projects to those which will have the immediate, direct and visible effect of beautifying neighborhoods or cleaning up graffiti. Such projects may include, as an incidental and very minor element, such items as planning and design. However, the purpose and focus of the grant must be in accordance with Program Regulation 7.

6. PREFERENCE FOR PROJECTS

The following projects will be given preference in consideration for funding. See Program Regulation 10.

- a. Youth programs: projects that employ youth to age 21 as paid or volunteer labor or otherwise involve youth as a major participant in or benefactor of the project.
- b. Innovation projects: projects that take an approach or utilize a technology which has not been attempted in San Francisco.
- c. Neighborhood-generated: projects for which the applicant organization is a neighborhood group or which was proposed by a neighborhood group.

- d. Benefit areas of San Francisco that are economically disadvantaged: projects occur in areas that are economically disadvantaged or are a benefit to residents who live in areas that are economically disadvantaged. "Economically disadvantaged areas" is defined as an area that has the following income maximum by household size:

Number in household	1	2	3	4	5	6	7	8
Household income	\$25,000	\$28,500	\$32,150	\$35,700	\$37,950	\$40,150	\$42,450	\$44,650

This definition is consistent with the definition utilized by the Mayor's Office of Community Development.

As indicated on the Application Form, applicants should list the census tracts in which the project is located and the census tract(s) in which residents live who benefit from the project. Applicants should indicate which tracts qualify as economically disadvantaged. Census tract income data are available at the Main Branch of the San Francisco Public Library, Science and Documents Section, first floor.

- e. Organizations currently making efforts: organizations should describe programs or projects they have completed within the past two years or which are currently in process.
- f. Volunteer labor: Volunteer labor must be described in the grant application as to type of work and hours worked.
- g. Public property: see Program Regulations 13 for definition.

7. DETAILED PROJECT DESCRIPTION

Provide information on the type of work to be performed, who will do it, location, duration of the project, timetable (start, checkpoint, and end dates), materials involved, and any special challenges and/or opportunities which will be presented by the project. Photographs or other documentary evidence of the need for the project may be provided, but are not required.

8. PROJECT MATCH

- a. In-Kind: In-kind contributions may be in the form of equipment usage, labor or materials supplied to support the project. Donated equipment usage should be calculated at the rate which would be paid to rent the equipment for the hours required to perform the project. Volunteer labor should be calculated at the actual value of the labor, not to exceed \$8.00 per hour or be less than minimum wage (currently \$4.25 per hour). Applicants should state the source of the data for calculated value, e.g., "EXZ Rental Company charges \$7 per day for 1 wheelbarrow."
- b. Match may also be in the form of cash, provided by the applicant organization or other sources, excluding funds from the City and County of San Francisco.

9. NEIGHBORHOOD BEAUTIFICATION PROJECTS

Projects involving tree planting or other horticultural activities are strongly encouraged to use drought-tolerant, low-maintenance trees and plants.

10. PERMITS/PERMISSIONS

Prior to applying for a grant, applicants are encouraged to make preliminary inquiry of the appropriate governmental agencies as to the feasibility of securing permits for the proposed projects.

Evidence in a form to be supplied by the CAO that the applicant has secured all required permits (e.g., tree planting permits, permission to work on private property) will be required prior to final award of a grant.

11. FINANCIAL REPORTING

Financial reports in a form to be supplied by the CAO received by the CAO in accordance with the dates on the following schedule:

First report : 60 days after award of grant

Second report: 180 days after award of grant

Final report : 365 days after award of grant or 60 days after completion of a project, whichever occurs first.
In every case, there must be a final report.

Applicants applying for a grant in two consecutive years may be required to provide an additional accounting of the first year funds prior to consideration of the second year grant.

12. PAYMENT OF GRANTS

As a general rule, grant funds will be distributed on a reimbursement basis, paid against a claim made by the applicant in a form to be supplied by the CAO. However, the CAO will consider requests for advance payments from organizations with limited cash assets where such limited cash assets would preclude their participating in this program on a reimbursement basis. In such case, advance payments may be allowed, but only for non-salary items, e.g., materials, supplies, permit fees, insurance costs.

Grant recipients receiving an allocation of more than \$20,000 may not seek reimbursement for more than one-half of the grant in the first six months of the grant period unless the project is completed during that period of time. Recipients of under \$20,000 may request a different payment schedules if necessary to meet the cash flow needs of the recipient provided the recipient demonstrates to the CAO its ability and willingness to complete the project.

All disbursements are subject to audit by the Controller of the City and County of San Francisco.

13. GRANT CYCLE TIMETABLE

This is the first grant cycle for the program, and it is not known what funds will be available or how many applications will be received. Therefore, the timetable below is tentative:

June 3 Final grant award decision

July 1 Funds available

14. EMERGENCY GRANTS

The CAO will consider requests for small emergency grants of two hundred fifty dollars (\$250) or less at any time during the year. Inquiry should be made by letter explaining the nature of the proposed project and the need for the emergency funding. Payment will be on a reimbursement basis.

The intent of these emergency grants is to respond to short-term, one-day clean-up efforts. Emergency projects must be consistent with the Program and Administrative Regulations and these Guidelines.

APPLICATION FORM

Please complete this form in its entirety. Do not submit a substitute. To fill out the Application form properly, it is necessary to refer to both the Guidelines and the Program and Administrative Regulations. An original and four (4) copies must be submitted. Applications must be typed or printed. Additional sheets may be attached to provide complete responses.

Applications must be received no later than March 1, 1991, Noon, to the Office of the Chief Administrative Officer, City Hall, Room 289, San Francisco, CA 94102, ATTN: Neighborhood Beautification and Graffiti Clean-Up Fund.

I. Applicant General Information

- A. Name of organization _____
- B. Mailing address _____

- C. Telephone number _____
- D. Name, address and telephone number of the person to contact about this application.
- Name _____
- Address _____
- Telephone number _____

II. Brief Description of Proposed Project

- A. Project Title
- B. Project Description (25 words or less)

III. Amount of Grant Request: \$ _____

IV. Fiscal Agent Information (if fiscal agent is used)

A. Name of organization _____

B. Mailing address _____

C. Telephone number _____

D. Name, address and telephone number of the fiscal agent
representative to contact about this application.

Name _____

Address _____

Telephone number _____

E. Fiscal agent fee:

1. Amount \$ _____

2. Percent of grant request _____%

3. If #2 above exceeds 5%, please summarize below justification
for exception to the 5% cap:

V. Organizational Summary of Applicant

A. Type of Organization (check one below)

_____ Nonprofit corporation (proceed to Items B, C and D)

_____ Government agency (proceed to Question VI)

_____ Other. Please specify _____
(Proceed to C, D, and E)

B. If a nonprofit corporation:

1. Attach copy of articles of incorporation.

2. Attach copy of federal tax exemption letter.

3. Attach list of members of your Board of Directors.

C. Briefly describe the history, purpose and activities of your organization.

D. Substantive Past Performance:

1. List projects that have been completed by the applicant organization in the areas of neighborhood beautification, graffiti clean-up or related areas.

2. Attach documentation of two years of operation.

E. If you checked "other" in Part A, above:

1. What is the shared interest or nature of the organization/group making this grant request?

2. Please attach a list of the members' names and addresses.

VI. Detailed Project Description (Attach additional sheets if necessary;
see Guidelines for information to include.)

VII. Preference for Projects

A. Check below the preferred project areas for which this grant request qualifies (See Guidelines for definitions).

| 1. _____ youth programs | 4. _____ organization currently making efforts |
| 2. _____ innovation projects | 5. _____ volunteer labor |
| 3. _____ neighborhood-generated | 6. _____ public property |

B. Explain how the project qualifies in the preference areas checked.

VIII. Location and Benefit

- A. List the census tract(s), by number, in which the project will be performed. Indicate which tracts are economically disadvantaged, if any. (See Guidelines for definition)
- B. List the census tract(s), by number, in which residents live who would benefit from the project. Indicate which tracts are economically disadvantaged, if any. (See Guidelines for definition)
- C. Explain how the project would benefit residents of economically disadvantaged areas.

VIII. Project Budget

Grant Request Amount \$ _____

Match Amount (15% of grant required)* \$ _____

Cash Funded From Other Sources \$ _____

Total Cost of Project \$ _____

	<u>Requested from</u> <u>Grant</u>	<u>Funded by</u> <u>Another Source</u>
1. Personnel Services		
Salary and Wages (attach detail as to title of position, wage rate and hours worked on project)	_____	_____
2. Operating Expenses (attach itemized list)

3. Fiscal agent fees (if any)	_____	_____
4. Match Amount*		_____
5. Reimbursement for City department assistance (if any)	_____	_____
TOTAL	\$ _____ (A)	\$ _____ (B)

NOTE: (A) plus (B) should equal the Total Cost of Project at
the top of this page.

6. Match: Please describe match. See Guidelines. Attach additional
sheet if necessary.
7. For any equipment, tools, supplies or other items listed in #2 above,
what will be the disposition of these items upon completion of the
project?

*Match may exceed 15% of grant request.

8. Does applicant request consideration for an advance payment on the grant? ____ Yes ____ No (check one). If "yes", attach letter stating request and amount and timing of the advance payment.

IX. Other City Funding Assistance

1. List below any City department(s) from which the applicant has applied for funds during the past three (3) years, for what purpose, and amount, if application was successful.

<u>City Department</u>	<u>Purpose</u>	<u>Year</u>	<u>Amount Requested</u>	<u>Amount Received</u>
------------------------	----------------	-------------	-----------------------------	----------------------------

X. Permits, Permission

- A. List governmental permits which must be secured for the projects.
- B. List the name, address and telephone number of any private property owner who owns property on which the project will take place.

XI. Declarations

1. I assume responsibility to ensure compliance with all state, federal and local laws and requirements pertaining to this project.
2. I certify (if a City department) that the funds requested do not replace previously budgeted funds.
3. I declare that all information submitted in this request is true and accurate to the best of my knowledge and belief.
4. I declare the intent of the applicant organization to implement a policy of fair employment practice and Equal Employment Opportunity to all qualified persons without discrimination on the basis of race, religion, sex, national origin, ethnicity, age, physical handicap, political affiliation, sexual orientation, color, marital status, or medical condition.
5. I declare that the applicant organization allows minority and women vendors and suppliers certified by the Human Rights Commission to compete on an equal basis with other suppliers to supply goods and service purchased by the applicant.
6. I certify that this project will not create significant additional maintenance responsibilities for the City and County of San Francisco.
7. I _____/*_____, hereby swear that I am duly authorized to bind the prospective grantee to the above-described certifications and declarations.
8. I am fully aware that these certifications and declarations executed on _____/*_____, at the County of _____/*_____ is made under penalty of perjury under the laws of the State of California.

San Francisco
NEIGHBORHOOD BEAUTIFICATION & GRAFFITI CLEAN-UP FUND

RESOURCE INFORMATION FOR APPLICANTS

1. Organizations wishing to do a project on City property should contact one of the following individuals to ask what permits would be required and how to coordinate the project with the department.

Department of Public Works
Tree planting, litter pick-up,
sidewalk cleaning

Litter: John Roumbanis 695-2017
& Other

Trees: Mel Baker 695-2014

Housing Authority
For projects on Housing
Authority lands

Deborah Morrison 554-1304

Municipal Railway
Clean-up of buses and Muni
facilities

Barbara Conway 923-6265

Recreation and Park Department
For work in City parks and other
lands maintained by the depart-
ment

Elaine Molinari 666-7024

Redevelopment Agency
For projects on Redevelopment
Agency lands

Bob Gamble 749-2464

S.F. Unified School District
For projects on school sites

John Bayless 241-6013

Other Departments

Lisa Dollard 554-7111

2. Organizations seeking general advice on neighborhood beautification needs should contact Lisa Dollard, 554-7111 or San Francisco Beautiful, 421-2608.
3. For other information, please contact Joan Lubamersky, Office of the Chief Administrative Officer, 554-4851.

San Francisco
NEIGHBORHOOD BEAUTIFICATION & GRAFFITI CLEAN-UP FUND

FACT SHEET

HISTORY

In June, 1990, the voters of San Francisco approved an ordinance establishing the Neighborhood Beautification and Graffiti Clean-Up Fund. This ordinance (Proposition D--authored by Supervisor Jim Gonzalez) creates a source of funds to be used exclusively for projects which will enhance the beauty and improve the physical quality of life throughout the City and prevent neighborhood decay.

HOW IS THE PROGRAM FUNDED?

Businesses subject to the City's Payroll Expense Tax or the Business Tax may voluntarily designate up to one percent (1%) of their taxes to go directly for the Neighborhood Beautification and Graffiti Clean-Up Fund. Making this designation **does not increase a company's taxes**. It simply allows them to say how they would like a small portion of their taxes spent.

To designate, a company signs and returns the insert included in their tax bill and checks off the appropriate box on the top of the bill itself.

KINDS OF PROJECTS TO BE FUNDED

The Fund will be used only for those projects that result in the **actual** physical improvement of the city's environment through beautification and clean-up efforts. Examples of projects might include graffiti removal, neighborhood clean-ups, installation of decorative lighting or of planter boxes.

Preference will be given to those projects that maximize volunteer labor, involve youth, are innovative, serve economically disadvantaged areas, or are generated by neighborhood groups or groups with a demonstrated record of achievement in beautification and clean-up projects.

Both community organizations and City departments can apply for grants. The preponderance of grant money must go for the **actual performance** of the project rather than for administrative expenses. In the case of City departments, the project must enhance rather than maintain current levels of service.

TAX CONSEQUENCES

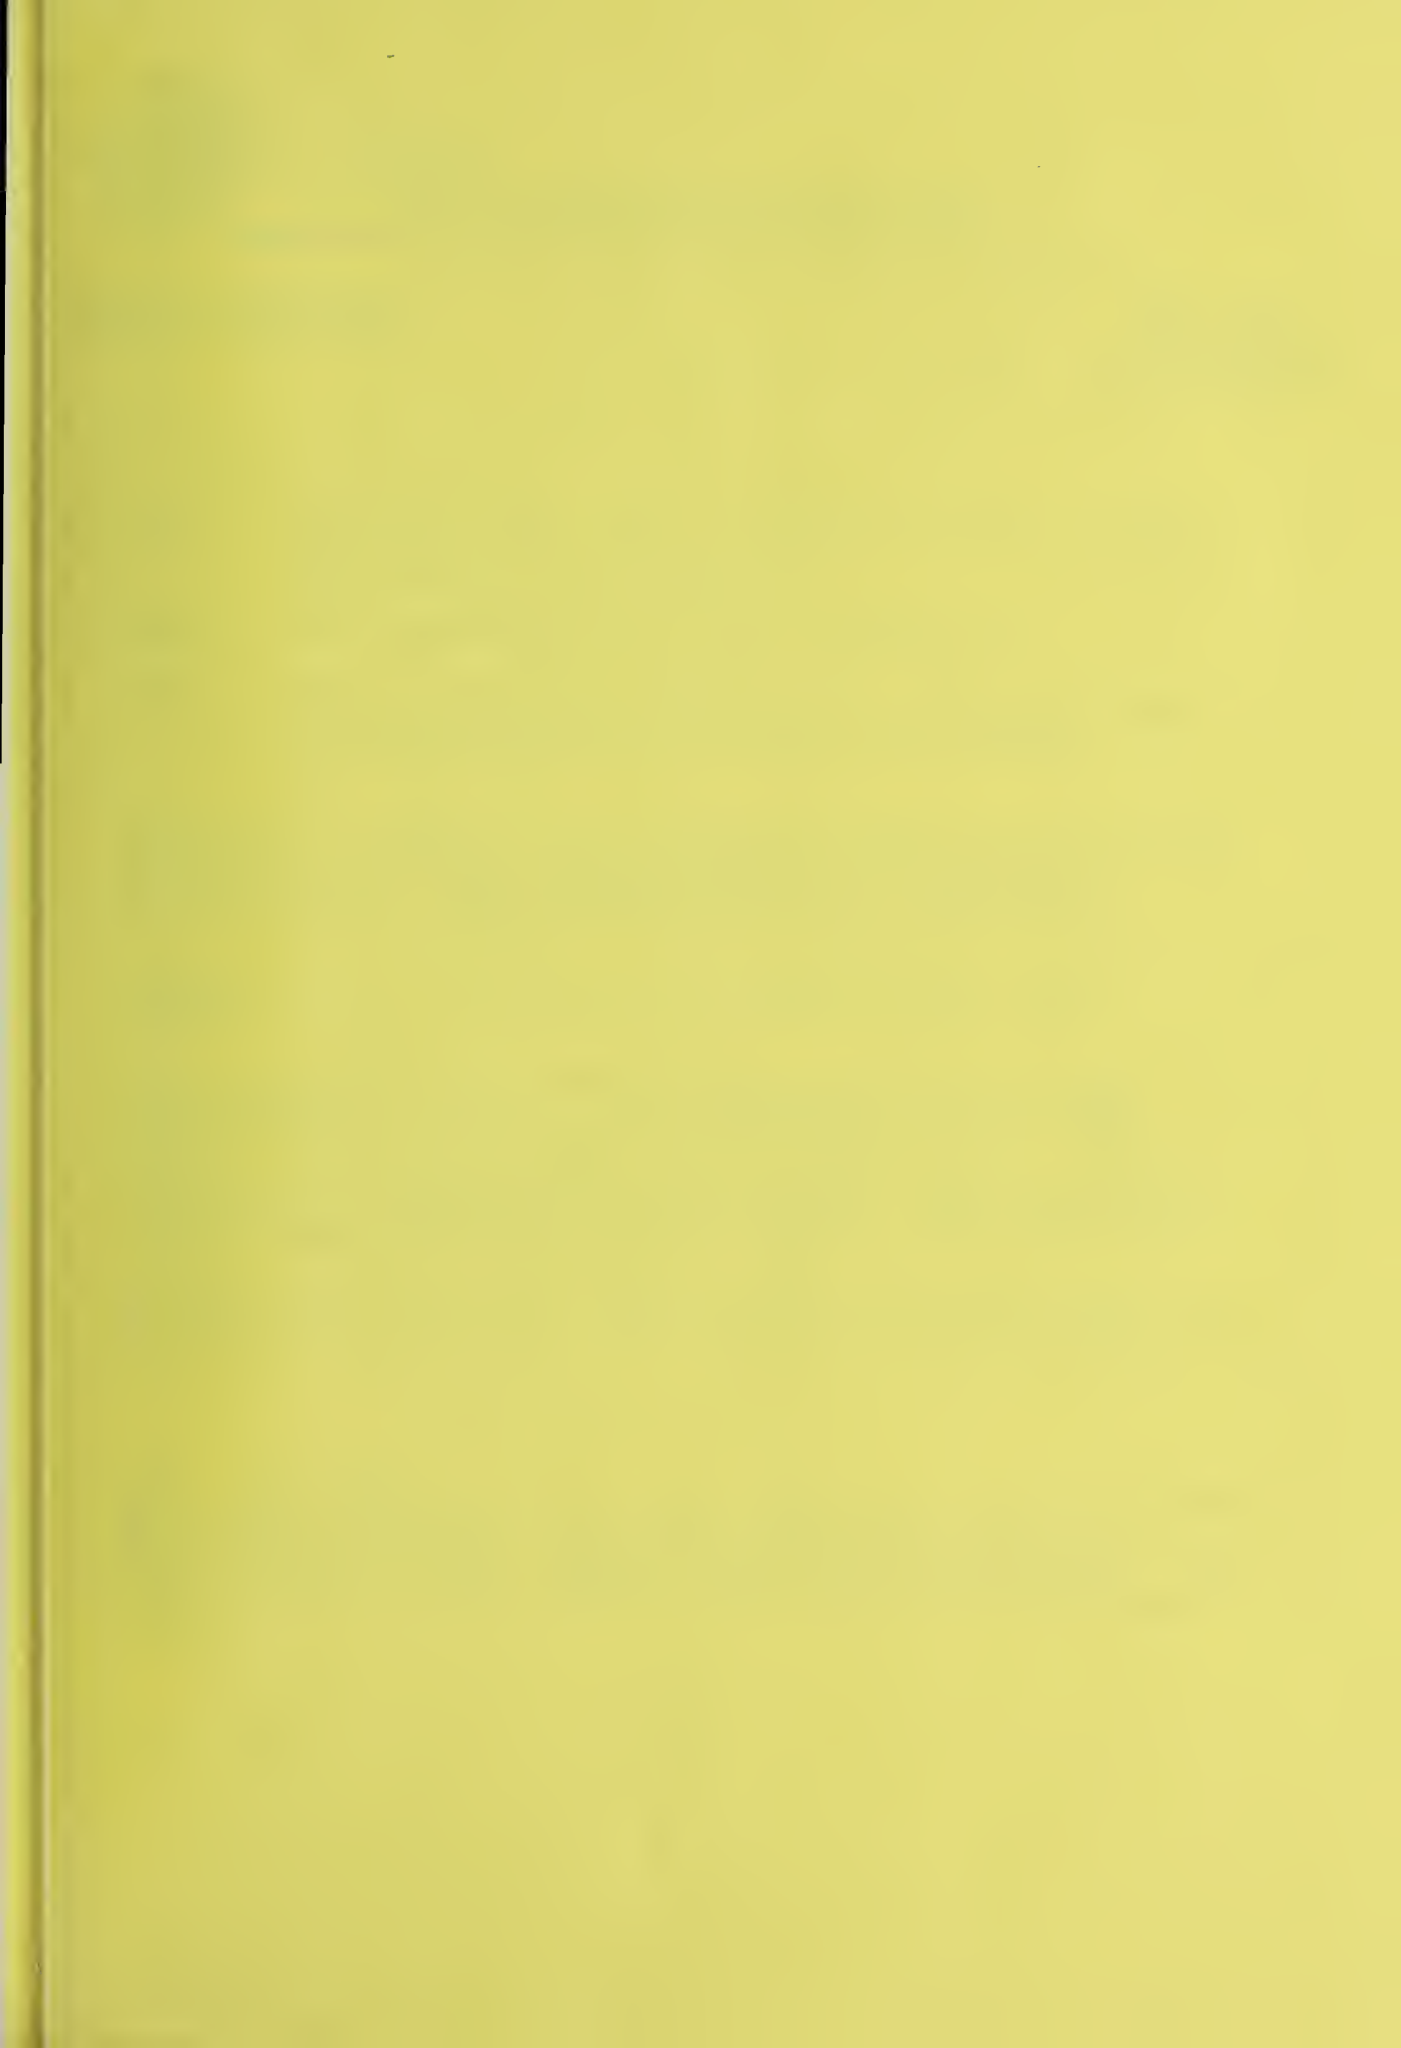

Choosing to designate to the Neighborhood Beautification and Graffiti Clean-Up Fund **does not increase taxes**. In fact, it has no impact on a company's tax liability whatsoever.

The total amount of funds that can be designated from business tax revenues is limited to \$1 million, and each business can designate no more than one percent of their taxes.

This program not only enhances the quality of life for those who live and work in San Francisco, it is an investment in San Francisco's economic future -- making the City a more inviting destination for tourists, businesses, and shoppers.

The Fund is also authorized to accept donations, grants and bequests. Such gifts may be made in addition to business tax designations to the Fund.

The Fund is administered by the office of the Chief Administrative Officer. For information, phone 554-4851.

SUBJ: How To Determine Census Tracts as Economically
Disadvantaged/How To Locate Census Tracts

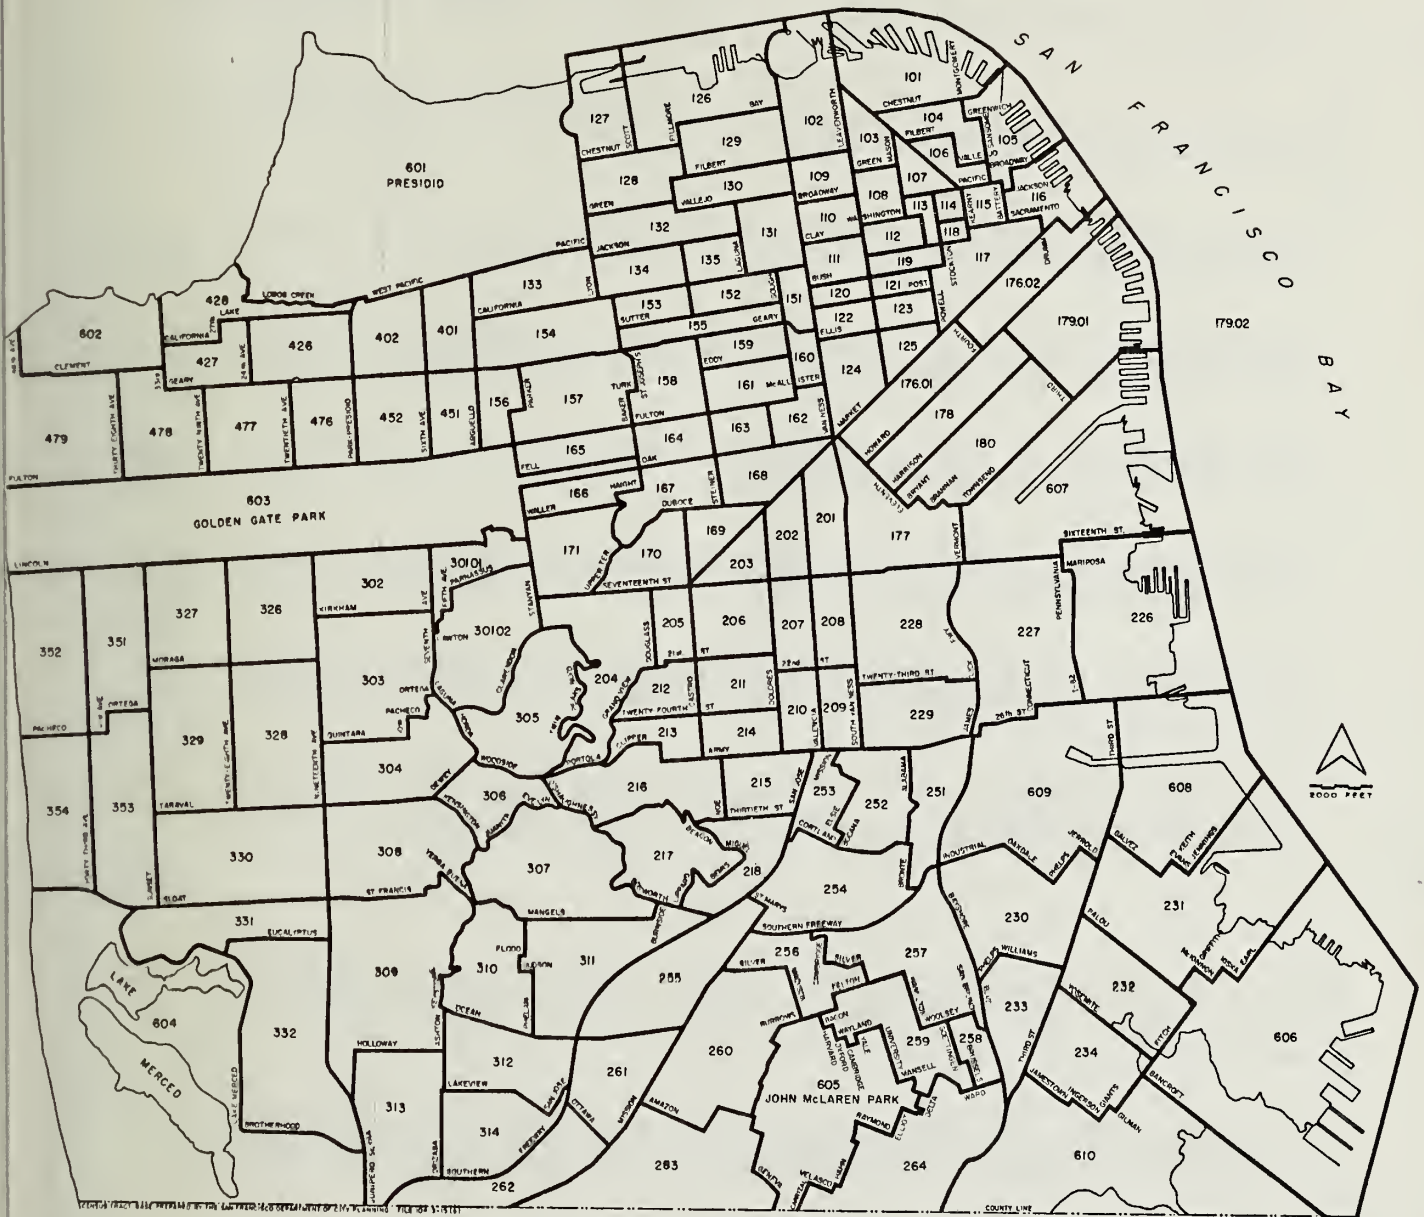

The following pages in this binder provide the information necessary to determine if your census tracts qualify as economically disadvantaged and how to locate the census tracts in which your project would be located.

The map on the following page provides census tract numbers.

Data as to economic disadvantage is on the next pages, highlighted in yellow. Locate the census tract number and the "PER LOW MOD" column to the right of it. This column lists the percentage of low-moderate income, which qualifies as economically disadvantaged. This column has already been weighted for family size.

If your census tract has a percentage of 50.00 or more, it qualifies for the economically disadvantaged preference.

Note: Use only the census tract number that is highlighted. The numbers following it in the column which are not highlighted are block numbers within the census tract. The census tract percent reflects the composite of the block numbers.
